# Introduction

Welcome to Rotana, where a world of artists and visionaries with a passion for film music and TV reside, and where every aspect of the entertainment industry has been wholly embraced, tinkered with and exquisitely brought to life.

Ranging between our huge scale of movie and music distribution production successes, free to air TV channels, radio stations, café chain, widely read digital magazine and a thriving sales company, our services have put us at the forefront of the entertainment industry.

Rotana houses a multitude of TV channels that can speak their audiences' language, that can sing their songs and tell their stories. Our general entertainment channels cater to an audience comprising of Saudi and Egyptian nationals, Arab women and the general MENA audience.

Movie channels broadcast Egyptian and Arabic movie premieres, classic and contemporary films. Music channels play every major Arab star's songs, video clips and latest masterpieces.

While International channels cater to our audiences abroad, providing them with a piece of home away from home.

Our approach has allowed us to create an entertainment platform that allows us to connect with our audiences in many ways and in diverse settings. Giving us a chance to unfold stories together, sing songs together, read together and drink coffee together; after all, everything we have ever created and will ever create has always and will always be inspired by them.

# General Entertainment Channels
